THE BEST WAY TO SPEND YOUR SUMMER!

WELCOME LETTER

Welcome to LINX Camps!

In 2009 LINX Camps set out on a mission to become the #1 camp in the world, and our mission has never changed. With just about 30 campers in that first summer, we offered unparalleled attention to detail, exceptional customer service and a customized experience for each and every child. With increased popularity and record-breaking growth, we have never lost sight of our humble beginnings and what made us who we are today. With every passing year, we have increased our team of expert staff and supervisors to always maintain our 1 to 5 ratio while expanding our programing to meet the ever-evolving needs of the campers we serve.

With the help of their parents, our campers are able to pick and choose the programs they want to explore, in our one-week programs, under the guidance of our award-winning expert instructors. Our dedicated team of professional educators put the social-wellness of each camper first. Everyone is trained to build a cohesive group, centered around inclusion, acceptance and unity. Once this foundation has been established, we unlock each camper's unlimited learning potential and they soar to new heights.

LINX Camps now operates out of 3 locations, all within approximately 5 miles of one another, so that we can maintain that "small camp feeling" that we were founded on. While campers may change programs from week to week within their LINX Camps experience, they thrive in our communal setting that focuses on traditional camp values, a consistent daily and weekly structured schedule and consistent behavior standards. The experience is enhanced by the leadership of our caring and nurturing staff.

We look forward to having your family become a part of the ever-growing LINX Camps family. So come on board and see what all the excitement is about.

LINX Camps, the best way to spend your summer!

Warm regards,

Joseph Kahn

PEEWEES

WELCOME TO THE LINX PEEWEES | 3-5 YEARS |

Welcome to the LINX PeeWees, part of the LINX junior camp division. PeeWees explore age-appropriate activities designed by the directors of LINX Camps who have a combined 60+ years of early childhood and camp management experience.

Each group is led by experienced LINX Head Counselors who specialize in early childhood education. Our PeeWee division maintains a 1 to 5 counselor-to-camper ratio throughout the day (with a 1 to 4 ratio during swim). Small camper groups ensure all campers receive individual attention and make connections with their peers and counselors.

Our Campers enjoy a varied schedule with preset activities, designed to encourage and develop good listening skills, following instructions, teamwork and social skills, all while having fun and exploring new activities.

"LINX IS MY SON'S FIRST SUMMER CAMP EXPERIENCE AND HE IS HAVING A GREAT TIME! HE TALKS NON-STOP ABOUT HIS DAY AS SOON AS HE GETS IN THE CAR."
