# WELCOME TO

Dear Families,

In 2009, LINX Camps set out on a mission to modernize the day camp experience while uniting through traditional camp values and providing an inclusive and emotionally safe community for all. We are proud of the community we have created and invite you to take a closer look at everything LINX Camps can offer your family in summer 2020.

We look forward to having your family become a part of the LINX Camps family.

Warm regards,

## TRADITIONAL CAMP VALUES THAT MATTER

At LINX Camps, we place the highest emphasis on providing a traditional camp experience. Each week is packed with rituals, traditions, sing-alongs, spirit competitions, Friday Special Events, and a vocabulary unique to our campers. If you're looking for that "kumbaya spirit," we've got it!

"I am incredibly proud of the team we have put together. Each team member, from our directors to our counselors, helps provide our families with the best possible camp experience."

JOE KAHN  
Owner & Founder

## MODERNIZATION OF CAMP

Campers enjoy selecting a variety of general, specialty, and sports camps, led by industry experts, to build their ideal summer camp experience. LINX Camps has created an environment in which campers thrive in a structured setting, complete with a consistent swim program, daily routines, and small groups.

"Building a community that campers call their *summer home* is what guides our decisions every day."

MEESH FARRELL  
Executive Director of Camps

## STAFF WHO UNITE

Selected from thousands of candidates (locally, nationally, and internationally), LINX Camps counselors lead by example and create an emotionally safe environment in which everyone we serve feels comfortable and confident with themselves, their leaders, and their peers. Our staff ignites and fuels each camper's passion by implementing our fun-based learning philosophy.

"We nurture a respectful, kind, and spirited culture that is inclusive, diverse, and fair for all."

BEN GATTO  
Camp Director

## MEET THE TEAM THAT MAKES LINX CAMPS #1!

Our junior camp programs are grounded in the values of inclusion, friendship, teamwork, support, and good sportsmanship. Their curriculums carefully balance familiar activities, like story time and music circle, and new ones to best support social, emotional, and physical growth. Our Junior Camp Leadership Team is eager to help our young campers foster a love of camp and begin a childhood-long summer tradition!
